

**TRANSMISSION IDENTIFICATION CODE LISTING**

**GENERAL MOTORS AUTOMATIC TRANSMISSIONS**

GM has placed labels on cars since 1984 (on trucks since early 1970's) containing Regular Production Option (RPO) families of different vehicle areas (ie. axles, brakes, transmissions).

- Locations for label:**
- 1.) Spare Tire Cover
  - 2.) Deck Lid
  - 3.) Right Rear Wheel Well
  - 4.) Ear Quarter Panel

- On trucks:**
- 1.) Engine Cover Compartment
  - 2.) Glove Box
  - 3.) Hood

Transmission codes are listed alpha-numerically from M01 - M99 and MA2 - MY9.

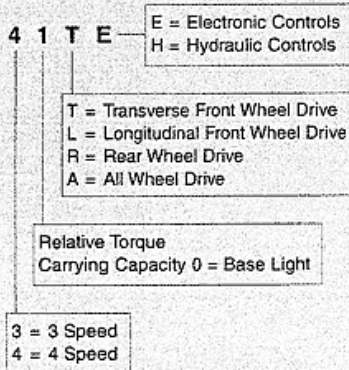

- To determine correct transmission filter:**
- 1.) Locate RPO code
  - 2.) Use chart to determine transmission
  - 3.) Refer to transmission model on wall chart for proper filter.
